Dear Mike. I am writing to enclose copy for the cards for opening day. Last year you made a mistake, and put the time the game would start. Please do not do that this time. The reason is it depends on how the weather looks how fast we might move.

Please send 350 to Pope Green here in Newark c/o the butcher shop next door to him

50 to Jimmie Tate 443 Jackson Ave. Jersey City N.J.

50 to Dory Larrimore 228 N. Willow St. Trenton N.J.

50 To Henry Moore 41 Auburn St. Patterson N. Jersey

Do you think they should be large size? There is so much to go on them, and I do not want the card too crowded.

Please feature the opening day, as we will be able to announce the other games.

Tell Gottlieb, I cannot hear from any of the men down south about the dates. It looks like I will be out west a week with nothing to do. I think The Grays have been in most of the parks and beat the teams so badly they are afraid to play any of the rest. Poor Ashville 17-1, and Posey was laughing when he told me about it.

I am not sending any cards to New York this year as there will be a game in New York the same day.

Very Truly Yours
